

POSTER DESIGN TOPIC

All this while, our projects involve planning for a holiday overseas, including research about the country, the culture, places of interest and so on. Now, this is a time to do it a little differently. For this individual project, you have to create a poster promoting BRUNEI DARUSSALAM as an ideal holiday destination to others.

POSTER TITLE:

BRUNEI DARUSSALAM AS AN IDEAL HOLIDAY DESTINATION

For this reason, your poster must appeal to your audience. Your poster should endeavour to portray the uniqueness of Brunei Darussalam. To give you some ideas to get you started, your poster may reflect some of the places of interest and rich culture of Brunei Darussalam for examples, mosque, heritage places, water village, food, culture, hospitality of our people and so on.

Please RESEARCH FIRST by yourself at home (e.g. google for relevant images based on your chosen theme). Bring all the relevant materials you need to BAT lesson next week to start your poster (e.g. pictures to refer to, colour pencils, water colours, brush, palette, markers, colour paper etc) whichever you need. Art Paper will be provided in class. You are allowed to use "Cut-and-Paste" technique for your poster as well.
